FOREIGN NEWS

LONDON, June 6.—The Daily Express has a dispatch from Shanghai, dated Tuesday, which says: "Russian troops have been ordered from Port Arthur to the neighborhood of Peking to punish the Boxers for killing two Cossacks and wounding two."

BERLIN, June 5.—The latest news regarding the Boxers has reached here by private and official telegrams, all of which say the situation is black and alarming. The German Foreign Office considers encounter between the Boxers and Russians an event probably fraught with the greatest danger. News has also reached here that several German and Catholic missions in the provinces of Shantung have been pillaged by mobs, supposed to have been incited by the Boxers' agitation.

SHANGHAI, June 6.—The soldiers dispatched to attack the Boxers have fought an engagement quite close to Peking. Many were killed on both sides.

In consequence of the representations of Japan, the landing of a large Russian force at Taku is alleged to have been stopped.

It is believed here that should Russia persist in sending a preponderating military force to the front a collision with Japan will inevitably result.

Alarming reports are current here of the hurried completion of the mobilization of the Japanese fleet.

The Russian Minister at Peking, M. de Giers, has made another attempt to induce the Chinese Foreign Office to formally request Russian assistance to restore order, but the offer has not yet been accepted.

The mob who murdered the English missionaries Robinson and Norman, mutilated and dismembered the bodies. The station at Fan-Tin, three miles from Peking, has been burned. The British Minister, Sir Claude M. MacDonald, is reported to be quite ill.

LONDON, June 6, 10:25 a. m.—Lord Roberts telegraphed to the War Office as follows:

"PRETORIA, June 5, 5:35 p. m.—The occupation of the town passed off most satisfactorily and the British flag is now hoisted on top of the Government offices. The troops met with a much more enthusiastic reception than I anticipated. The Third Battalion of the Grenadier Guards lined the square when the march past took place. "Owing to their having been on duty at some distance around the town, very few cavalry and infantry were able to take part in the ceremony. "Several of our officers who had been prisoners were among the onlookers."

LONDON, June 5.—Lord Roberts today announced the capture of the Imperial Yeomanry by the Boers near Lindley. His dispatch is as follows:

"PRETORIA STATION, June 5, 12:55 p. m.—I regret to report that the Thirtieth Imperial Yeomanry had to surrender to a very superior force of the enemy on May 31st, near Lindley. On receiving information of the Battalion being attacked I ordered Methuen to proceed with all speed to its assistance. "Methuen was then on the march on the Heilbron side of Kroonstadt and, half an hour after the receipt of my telegram, on June 1st, he started off. By 10 a. m. of the following day he had marched forty-four miles in twenty-five hours, but he was too late to rescue Colonel Spragg's Yeomanry. Methuen attacked the Boers, who were between 2,000 and 3,000 strong, and after a running fight of five hours completely routed the enemy. "It is a very regrettable circumstance, but I trust it will not be very long before the Irish Yeomanry are released from captivity."

LONDON, June 6.—A special dispatch from Lourenzo Marquez dated Tuesday, June 5, says:

"General Buller and Christian Botha met at Laing's Nek at Buller's request, when a three days' armistice was agreed upon."

WASHINGTON, June 2.—The President to-day sent to the Senate the following nominations for Hawaiian offices: Morris M. Estee of California to be United States District Judge for the Territory of Hawaii; John C. Baird of Wyoming to be United States District Attorney of Hawaii; Daniel F. Ray of Illinois to be United States Marshal of Hawaii.

NEW YORK, May 31.—A cable to the Sun from Manila, May 31, 5:40 p. m., says: Major Peyton C. March of the Thirty-third Volunteer Infantry, who has been pursuing Aguinaldo, has successfully crossed the mountains of Northern Luzon and is now at Apari. He reports coming up with the supposed body guard of Aguinaldo north of Cagayan valley. During the fight which followed it was seen that an insurgent officer was shot from off his horse. He was rescued by his comrades, but his horse and saddle bags were captured. The saddle bags contained Aguinaldo's personal papers.

BADEN WEILER (Baden), June 5.—Stephen Crane, the American author and war correspondent, died here today, aged 30 years. Stephen Crane four years ago made a great hit with "The Red Badge of Courage." It is cast in the form of a romance and is a detailed study of the development of a raw recruit in our Civil War under the fire of the enemy. What made it noteworthy was that Crane could have had no real experience of what he described with a masterly force and graphic realism in his sketches by Tolstoi in his sketches of Sebastopol.

NEW YORK, June 2.—The organization of the National Sugar Refining Company of New Jersey was completed to-day in Jersey City. The new company is a combination of the National, Mollenbaur, Doscher companies. The stock is divided into \$10,000,000 of common and \$10,000,000 of preferred shares. The assets comprise all the plants of the three companies in the combination and several million dollars in cash.

LONDON, June 1.—A belated dispatch from Kroonstadt, dated Tuesday, May 29, reports that President Krueger is very ill and adds that the station master at Kroonstadt, says the President is dead. This, however, was not credited.
